IT'S SMART TO HAVE OPTIONS

LEASEBACK PROGRAM

A 2 year Fixed Annual Leaseback Option is available that ensures 2 years rent at a fixed rate.

HOTEL PROGRAM

Our program differs from a traditional condo-hotel program in that owners will pay basic fees as opposed to receiving a percentage of their net rental revenue. (Benefits: increase occupancy, Rate optimization per season, verification of occupancy)

OWNER DIRECT MANAGEMENT

Owner will run his or her operation; this is not part of the Hotel program. Owners will have access to a rental management software where they can view their property calendar, block dates, view the performance of their unit and participate in the adjustment of rates.
